

MUNICH STRING BAND

individual instrument mics stage plan

Gabe (fiddle)
instrument mic
vocal mic

Rico (guitar)
instrument mic
vocal mic

Paul (bass)
DI out from amp
vocal mic

Philipp (mandolin)
instrument mic
vocal mic

Philip (banjo)
instrument mic
vocal mic

Monitor 1

Monitor 2

as seen from the audience

We need 10 channels, 5 for instruments and 5 for vocals.

We need 6 mic stands, 5 for vocals and one for the fiddle mic. We can supply our own if there are none there already.

We have clip-on holders for the rest of the instrument mics and the bass amp has a DI out.

We'll have our own instrument and vocal mics with us, we're happy to use our own or yours.

We'd like to have two monitors with just a basic overall mix.

We need one power outlet for the bass amp.
